

PHS Key Facts

Team of over

5,000 people across 140 sites in the uk

who are trained to help every kind of business with its workplace needs

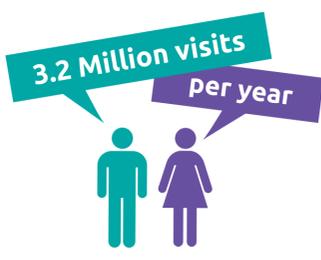

PHS is comprised of **experienced professionals** who understand the myriad of legislative and practical issues businesses face every day and who can be relied on to **deliver an unrivalled level of seamless service** - and proactively solve problems as they arise

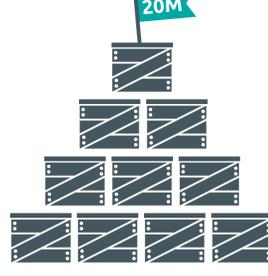

Most people won't notice the **92,000 service mats** we have in businesses at any one time are always spotlessly clean. They won't be aware that we have a range of **different mats for different surfaces** to ensure people are always kept safe from slipping

Not many people realise we employ **over 700 electrical testing engineers**; or that our compliance division completes **800,000 PAT tests every month**

PHS conduct a staggering **3.2 million washroom site visits every year**

We are the **largest crate rental company in the UK** moving over **20 million crates** every year

It's also not common knowledge that **every December** more UK businesses rely on us to supply their ready **decorated Christmas trees**, than any other company

Over

12% of PHS staff have been with the company for 10 years or more

With over

2,000

service vehicles on the road, equipped with **the latest reporting and tracking technology**, PHS can also be relied on to respond quickly

People probably won't notice that the

confidential archived document

they need is **stored securely by us** because we can deliver retrieved items in as little as

two hours

With over

200,000 business customers at over

450,000 locations

we combine the **strength and security** of a large organisation with the **reassurance of a fast friendly service**
